Release Agreement – WeeeeeOne

For seed below Rupp quality standards

We are informing you that WeeeeeOne pumpkin, lot number PCH146 (herein Seed) is below Rupp Seeds (herein Rupp) quality standards, in that it contains offtypes and may produce up to 40% fruit that are smaller in size from the variety standard. Both the standard and smaller size fruit are uniform and still likely marketable. Even so, Rupp is offering the Seed at a 40% discount.

By signing this agreement, the Customer understands the Seed is below standard, agrees to purchase the Seed and understands the Seed is not returnable. The Customer further agrees to release Rupp of any and all claims or liability arising from the use of the Seed, and to indemnify and hold harmless Rupp from any claims by third parties arising out of the planting of the Seed.
